The Marquis 720 Flybridge Motor Yacht - an elegant, Italian-designed vessel known for its luxurious finishes, spacious layout, and robust American made construction. She offers a sophisticated cruising experience with a three stateroom layout and multiple entertaining areas across three decks, and generous accommodations for guests and crew.

- Flybridge: The oversized flybridge offers breathtaking 360-degree views, a second helm station, a wet bar, bbq grill, and extensive seating, including a large U-shaped lounge. The flybridge provides the perfect atmosphere for relaxation and entertaining.
- Salon and galley: A sleek sliding glass door opens to the main salon, which features soft and comfy Calia Italia leather furnishings. The open-concept gourmet galley and dining area are on the same level as the salon, making it ideal for entertaining. The chef-ready gourmet galley is equipped with high-end appliances, granite countertops, and wood cabinetry.
- The accommodations include a full-beam master suite with plush carpeting throughout, and a luxurious en-suite dual sided his and hers bathroom with a marble floor and shower. Additional guest staterooms include a queen berth VIP, and a third guest stateroom with two twin beds. Each has its own private full bathroom ensuring ample space and privacy for all passengers. Crew quarters below deck provide two bunks and a full head.
- Propelled by powerful Caterpillar diesel engines, the Marquis 720 offers reliable performance and a smooth, stable ride.
- Bow and stern thrusters for superior maneuverability, and Sea Keeper gyroscopic stabilizer for enhanced comfort while at sea.
- Full suite of Raymarine electronics for both upper and lower helms, Yacht Controller MTL Series remote engine control system, and additional docking helm aft
- This Marquis is loaded with entertainment amenities such as four TVs with wifi streaming network, overhead speakers and subwoofer, bluetooth stereo systems and speakers throughout the vessel, and bluray disc players
- StarLink wifi - Gen3
